All our Log Homes have a fully insulated roof and suspended insulated timber floor along with high quality double glazed timber joinery. We offer 2 wall specification options, 75mm solid log or 75mm BS3632 insulated log which includes an insulated cavity in the wall structure.

* The standard Internal Fit-Out includes a bespoke Kitchen & Utility design, Bosch appliances, luxury Bathrooms, Flooring, Heating & Plumbing system including mains pressure hot water & Electrical system. All options are bespoke and can vary in specification to meet your requirements.

Prices are a guide only based upon a 50-mile or 1 hour driving time from Reading, they exclude delivery to site which starts from £1,600.00. Actual prices will be based upon site postcode, access, site conditions, site preliminary requirements (scaffolding, storage, welfare and refuse disposal) and provision of a suitable pitch, in accordance with our requirements, upon which to site the lodge. A detailed specification is provided as part of a comprehensive quotation. †Warranty is extendable subject to a paid After Care Service Plan agreement, details available upon request.

The above prices are INCLUSIVE of VAT, where applicable. Mobile Homes that comply with BS3632-2005 standard or higher are zero rated for VAT. Non-compliance incurs a 5% VAT charge, which is included where appropriate. All prices are subject to a site survey and written quotation in accordance with our Standard Terms and Conditions of Contract.
